DEEP DIVE SEMESTER RECAP

We asked, you responded: Black History Month edition

On February 2nd, we sent out a survey to the GS community on Black History Month. We wanted to hear their thoughts on the importance of the month, figures that inspire them and what issues they thought were important in the black community. Here are some of the responses from that survey.

Minorities and the COVID-19 vaccine

We sent out a survey to the GS community to get their thoughts on the vaccine and asked if the history of healthcare discrimination affected their trust in the healthcare system/vaccine. We received 29 responses from minorities on campus and you can see the results by clicking below.

Women's History Month: **Bessie Coleman**

March was Women's History Month, which means it was time to expand your knowledge of remarkable women throughout time! Throughout March, we shined a spotlight on some lesser recognized female pioneers. First up: Bessie Coleman!
